APPRENTICE PROGRAM APPLICATION

Personal Essay or Cover Letter

Select one of the following prompts for your response. Keep your answer to 500 words. Please save this file as a Word or PDF document to upload in the online application.

1. Describe how you hope to grow from the apprentice experience.
2. Some applicants have a background, identity, or interest that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
3. Write a cover letter for your application. A cover letter is in the form of a letter to your potential employer. The letter should share about work or volunteer experience and how this makes you a good fit for the job. Check out the link for tips and examples of student cover letters.
