## TAKE A MURAL TOUR

During the warm weather months, ArtWorks offers weekend tours several times a month for art lovers to walk through historic downtown, Over-the-Rhine and Pendleton streets exploring Cincinnati's impressive collection of monumental murals. Our tour guides, who are a combination of ArtWorks volunteers and Youth Apprentices, will educate and entertain you by sharing anecdotes about each mural, giving you the inside story on how these large-scale murals came to be.

ArtWorks also offers specialized group tours for corporate outings, schools, tourist groups, family reunions and any other interested groups.
